

KITRA FINISHING

Timber Finishing Experts

PREMIUM SHINGLE COATINGS DIVISION

Over the last 15 years, Kitra has become Vancouver's leading refinishing company for millwork, cabinetry, staircases, and more

To meet the demand for high-performance water-based coatings for cedar shingles from our premium builders, we invested in a European flood-coating machine, enabling us to provide our contractor clients with factory-grade, industry-certified results

- ▶ Colour matching stains and quality control is our true strength. You only get one chance to get it right
- ▶ We utilize the most modern, highest-performing coatings systems using premium water-based products such as Sansin and Renner, from Italy
- ▶ Also skilled in utilizing traditional timber coatings such as (Sikkens) PPG ProLuxe Cetol 1 RE Stain and Cetol 23 Plus RE
- ▶ Use Class A fire retardant coatings that are E-84 compliant. All our fire-retardant coatings are tintable to most semi transparent or semi solid colours
